This consent applies to changes in contact information that may be provided by me to the Association in the future. This consent recognizes that certain state and federal laws may place limits on communications that I am waiving to receive all communications as part of my membership.

† RPAC Contributions are not deductible for Federal income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTOR® or any of its state or local associations will not favor or disfavor any members because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 52 U.S.C. 30116. After the state RPAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
